

## Parents:

**Send your kids on an out-of-this-world adventure!**

At **Stellar VBS**, kids shine Jesus' light! Stellar is filled with awesome Bible-learning experiences kids can see, hear, and touch! Amazing science gizmos, creative team-building games, catchy songs, tasty treats, and surprising Bible adventures are just a few of the standout activities that will help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and sturdy shoes.) Plus, we'll help kids discover how to see evidence of God in everyday life—something called God Sightings. Get ready to hear that phrase a lot!

Your kids will also participate in a hands-on mission project, through a program called Operation Kid-to-Kid™, that will provide Bibles for families in Africa, Latin America, and the Middle East.

Parents, grandparents, and friends are invited to join us during VBS for a meal and an Adult Class. The class will be on the book of Romans and led by Dr. Bradley Trick. Each day concludes with a Cosmic Closing for a daily celebration of Jesus' light, hope, and love to get everyone involved in living what they've learned! Then, on the Sunday after VBS (July 30th), children and their family are invited to a Continental Breakfast at 9:00am! We will celebrate the end of VBS by discussing what children learned during the week, singing songs, and enjoying fellowship together. We hope you will join us!

So, mark these dates on your calendar: **Monday, July 24th – Friday, July 28th**. The fun **starts at 5:30pm with a meal, and will end at 8:00pm**.
